27 U.S. Air Force Pilots Resign Over Covid-19 Vaccination Mandate

Twenty-seven active-duty U.S. Air Force pilots have resigned their commissions over the unconstitutionality of Secretary of Defense Lloyd Austin's mandate requiring all Armed Forces members to at once receive a Covid-19 vaccination, Real Raw News has learned.

The exodus began on August 27, with 12 pilots from the 1st Fighter Wing at Joint Base Langley-Eustis, Virginia, submitting to their commanding officer letters of resignation only hours after they received a 4:00 a.m. text message instructing them to submit to mandatory Covid-19 vaccinations by 10:00 a.m. that same day. It's unknown whether the pilots collaborated ahead of resigning, but all 12 resignations were handed in within a 90-minute period.

One officer, a 29-year-old F-22 Raptor pilot, said of the situation, "We undergo routine physicals and must meet rigorous fitness standards to stay on flight duty. I think it's safe to say all Air Force pilots are in good physical condition. We must be to endure extreme G-force stress on our bodies. There is no reason we should be at risk of Covid-19 or becoming sick from it. I know I'm not alone in rejecting this potentially dangerous and soundly untested shot."

Pilots at other airbases apparently joined him in solidarity.

A day later, 15 pilots of the 2nd Bomb Wing in Barksdale, Louisiana tendered letters of resignation after they, too, received orders to get the jab. The orders stated explicitly that any officer refusing a Covid-19 vaccination would lose his flight status and be subject to disciplinary action, including a potential dishonorable discharge from the service.

A pilot with the 2nd Bomb Wing said that he and his fellow pilots marched into their commanding officer's office and dropped the resignation letters on his desk. He added that airmen and maintenance crews—enlisted persons who cannot simply resign from the service—are also furious about the mandatory vaccination requirement. Several of them, he told RRN, have sent hardship letters asking for early dismissal from the Air Force, mainly because they don't have faith in a vaccine that has killed thousands of healthy people, military and civilians alike.

"This is only the beginning. A lot more of us will be turning in our wings," he said.

RRN will provide additional details on this topic as it develops.

This is how they will replace our men and women in service with the non vetted refugees,who are given not earned,citizenship to fire upon Americans when ordered to do so.

Old recipe from the 'alien mindset' of psychopaths. Psychopathic usurpers also proactively create holomodor and central banks.

See the *real* history of the "royal house" (in fact German criminal peasants who (around a.D. 1000) infiltrated the feudal system, not hindered by any moral inhibitions or conscience) of the Netherlands, written by Dr. Leo Adriaenssen.

You are examples for the rest of true patriots

Thanks for making the stand against mandatory experimental gene altering injections

We know these jabs are not safe and not effective for treating a covid19 disease with survival rate > 99.9% using natural immunity and known antivirals like Ivermectin

It does my heart good to know we still have men and women of character and integrity in the "service". Resigning their commission is probably one of the most difficult things they could do.

God Damn this regime running our country into the ground.

We do know that persons who are tattooed, do not (even if they say they do).

Well, our military service men may not be protecting us from our enemies and the other criminals who have taken over our government, but at least a few of them have enough common sense to try to preserve their own life when it is obvious that someone is trying to kill them.

Now the destruction of what is left of the Constitutional Republic is aimed at the soldiers by forcing them to take the poisonous jab.

Waiting for the military to take action against an illegitimate demented man proclaiming to be president, and all of his communist cronies isn't going to happen.

Waiting for Trump to take his rightful seat of the office of president ain't happening either.

It's up to however many patriots are out there, it's a scary thought to some, but it's what has to be done.

By the way, there are Chinese soldiers apparently training in Michigan at Camp Grayling. They are being called UN peacekeepers, and that of course is a huge lie.

Very bad guys are and have been mounting up on the Southern border, and it

would not be surprising that they would be in socialist Canada as well.

How much longer will the patriots wait, time is running out.

I just a few minutes ago for the first time saw the SMIRNOFF " VODKA FOR THE PEOPLE" TV commercial, the color RED sticks out in it, the main woman in it (I think she is a celebrity actress) is wearing a RED dress.

That's A COMMUNIST commercial .

They also like to put GOATS in TV commercials, that's a SATANIC

symbol based on that in the New Testament it is used for people who are NOT RIGHT WITH GOD, " I WILL SEPARATE THE SHEEP FROM THE GOATS".

Don't fall for anything. DON'T TAKE THE mRNA jab.

It's not effective. There is no virus. It's experimental. There is a near 100% recovery rate because there is no virus. It's not a vaccine but experimental gene therapy. It violates Nuremberg code. It goes against your Constitution. They have NO right to make you take it for ANY reason. It can harm your DNA permanently. It can sterilize you. Your immune system may get destroyed. Only

a doctor can make a medical diagnosis not a government employee or any employer.

The Secretary of Defense is NOT a doctor. Can't prescribe anything.

I stand with them. I would do the same resign! Its very brave of them not

knowing whats going to happen next. I look for the Gov to mandate everyone civilian or military person to be vaccinated or lose your freedoms to travel or do anything. Shop at a store for food, clothes, buy gas make utility payments basically shut you out of society from doing anything. Would I rethink the situation over? No! I will die for what I believe my body my choice These are socio path psycho's.

Red Cross Warning For Those Who GOT the COVID Vax – CANNOT DONATE
WORLD

NEWSDESK

01 SEPTEMBER 2021

HITS: 20351

The American Red Cross is warning anyone who took the COVID vaccine they CANNOT donate “convalescent plasma” to help others recover from COVID.

That plasma is made up of antibodies from people who have recovered from the virus, but the vaccine WIPES OUT those antibodies, making the convalescent plasma ineffective in treating other COVID-19 patients.

Or they might still generously allow the UNVACCINATED to shop at 1 store

only

.....
= WALMART !

Where they already have everything prepared TO DO ROUNDUPS OF PEOPLE. (Look at videos of what goes on around WALMARTS on BIT

CHUTE and YouTube)

That's exactly why you really need to stay away from WALMARTS and THEIR PARKING LOTS and from all stores sharing a shopping center and parking lot with A WALMART !

Or one of these days your going to be thinking that you are just going on a SHOPPING TRIP to WALMART or a store sharing the shopping center and parking lot with a Walmart AND YOU MIGHT NEVER MAKE IT BACK HOME from that shopping trip again !

INSIDE the NWO WALMART STORES they can TAKE YOU DOWN (AMBUSH YOU) even more EASILY then outside in the parking lot.(they can LOCK ALL OF THE ENTRANCES & EXITS in their stores whenever they want to) And you never know what might come up from their UNDERGROUND TUNNELS at anytime !

Are you SURE that when you step foot onto NWO WALMART property it is even still considered to be ON U.S. SOIL ? That's one of the same reasons I will never WILLINGLY get on any RED CROSS "HOSPITAL SHIP"(I came across BAD & SCARY reports about the RED CROSS during my HURRICANE

across BAD & SCARY reports about the RED CROSS during the HURRICANE KATRINA online research) or FEMA BARGE or even on any U.S. MILITARY SHIP . I think that once you are on those and they move out to sea eventually it will be considered NOT TO BE ON U.S.SOIL OR IN U.S. WATERS ANY LONGER !

People really need to WAKE UP finally and get the message from what's going on around WALMARTS to PERMANENTLY STOP SHOPPING THERE BY NOW ! Or one day it might turn into your DETAINMENT AND/OR DEATH TRAP.Is the affordable MADE IN CHINA crap really worth THAT MUCH to you or the FOOD they sell ?

There is nothing on the Red Cross website refusing job recipients. They have however, discontinued their convalescent plasma program. Draw your own conclusions.
