

# LEGAL NOTICE

TO: \_\_\_\_\_ Date: \_\_\_\_\_

By authority of the Nuremberg Code on Medical Experimentation, I do hereby exercise my right to refuse to submit to or to administer the Covid 19 experimental gene therapy injection heretofore known as the "Covid 19 Vaccine."

The United States Government has extraterritorially prosecuted, convicted and executed Medical Doctors who have violated the Nuremberg Code on Medical Experimentation. Aiders and abettors of Nuremberg Crimes are equally guilty and have also been prosecuted, convicted and executed.

Every court of law in any location has original jurisdiction (Universal) to hear and try Crimes Against Humanity; and violations of the Nuremberg Code are classified as Crimes Against Humanity, which carry a maximum penalty of Death.

It is my understanding that the current and available vaccines are "Experimental Use Only" and not approved, despite the misinformation that Comirnaty and BioNTech are the same. If you read the literature, BioNTech is not the same and is still under "Experimental Use Authority". Unless you have positive proof, and not word of mouth, then any order to mandate any EUA vaccine is unlawful. As servicemembers we are duty bound to challenge any unlawful order and protect the rights of others and have sworn to protect and follow the Constitution and laws of the United States.

You are hereby put on **NOTICE** that it is not clear that a mandate of the COVID vaccines is lawful and any further effort to coerce, intimidate, persuade, trick or compel me to receive any experimental gene therapy injection ("Covid 19 Vaccine") or any other medical device, drug or procedure against my will, implicates you as aiding and abetting in the offense of a Crime Against Humanity and may constitute an assault and/or conduct unbecoming.

I hereby reserve my rights and put you on NOTICE that my available options include an IG complaint, an Article 138 complaint, and the right to report any potential crime against me to the military police and/or CID, OSI, NCIS or any other military investigative body.
